

REMARKS

The Notice of Allowance and Issue Fee Due ("the Notice") dated December 20, 2005 has been carefully considered. Applicants wish to thank the Examiner for allowance of Claims 17, 18, 20-38 and 47.

This amendment is submitted pursuant to 37 CFR § 1.312, subsequent to notice of allowance and prior to payment of the Issue Fee for the above-referenced Application. The purpose of this amendment is to correct the Title of the above-referenced Application. It has come to our attention that the title on the filing receipt and subsequent documents from the USPTO does not reflect the title as filed on June 26, 2003. This amendment corrects the Title to read "IMPROVED PLL MANUFACTURING TEST APPARATUS".

Applicants do not believe that any fees are due; however, in the event that any fees are due, the Commissioner is hereby authorized to charge any required fees due (other than issue fees), and to credit any overpayment made, in connection with the filing of this paper to Deposit Account No. 50-0605 of CARR LLP.

Should the Examiner have any questions or comments regarding this response, the Examiner is invited to telephone the undersigned at the number listed below.
